Dear Miss Oquendo,

Cheers!

In line with the implementation of the Pantawid Pamilyang Pilipino Program and its continuing growth, we are writing to request for a Consultative Meeting with our District Supervisors or in their absence, assigned Officer-in-Charge or District Pantawid Coordinators, on March 8, 2019, Friday. This is to ensure the compliance of our children to the conditions of the program and help ensure that the long-term goals will be attained.

The main objective of this activity is to provide updates on program implementation to make sure that our partner stakeholders would not be left behind. This would provide the program implementers with necessary feedback and technical assistance to improve the system to yield the desired results:
