August 7, 2017

**To: Chief Education Supervisors  
Education Program Supervisors  
Senior/Education Program Specialists  
Public Schools District Supervisors  
Principals/Head Teacher In-Charge of the District  
Heads, Public Secondary and  
Integrated Schools**

Dear Sirs/ Mesdames:

In celebration of the National Electrification Awareness Month (NEAM), the Aklan Electric Cooperative, Inc. (AKELCO) will be holding its first ever Diorama Making Contest.

In this connection, all secondary schools in Aklan are invited to make one Diorama entry per participating school.

Please notify the AKELCO Institutional Development Department using the attached notification form on or before August 7, 2017, 8:00 A.M. to 5:00 P.M. Submit the duly filled up scanned copy of the form through email at [yokomendoza@yahoo.com](mailto:yokomendoza@yahoo.com).

For more details, please contact (036) 274-7274 and look for Mrs. Yoko T. Mendoza, PIO.

For your information and guidance.

Very truly yours,

  
**Dr. ERNESTO F. SERVILLON, JR., MNSA**  
Assistant Schools Division Superintendent  
Officer In-charge

July 31, 2017

**DR. ERNESTO D. SERVELLON JR.**  
MNSA Asst. Schools Div. Supt.  
Office of the Schools Div. Supt.

Dear Dr. Servellon:

Greetings!

The Rural Electrification Project (REP) of our national government commenced with the Barangay Energization Program, now continuing as the Sitio Electrification Program. The National Electrification Administration (NEA) in its 48th years of service, strengthen its mandate for rural electrification, by providing genuine service to the public through its arm - the electric cooperatives. AKELCO being one of its strongest arm, joins the nation in celebrating the National Electrification Awareness Month (NEAM) with the theme "Ensuring the Gains of Rural Electrification Through Enlightened Member-Consumer-Owners".

Thus, AKELCO will be implementing an activity entitled: **Convergence - Paghugpong sa Tayuyon nga Elektropikasyon**, on August 14, 2017. This activity drumbeats the celebration of the National Electrification Awareness Month (NEAM), by promoting rural electrification consciousness. Participants from different sectors will meet in this particular gathering wherein there will be discussions about the Rural Electrification Program (REP), role of NEA and role of AKELCO in nation building and in the progress of the countryside. As part of the celebration, the management will be holding its first ever Diorama Making Contest to showcase a model of rural electrification portraying the benefits that electricity brings in improving the socio-economic condition of the Filipinos. Students are encouraged to participate to inculcate the significance of REP in their young minds.

With this, all secondary schools in Aklan are invited to make one Diorama entry per participating school. Winning entry will receive P7, 000.00 for the first prize, P5, 000.00 for the second prize and P3,000.00 for the third prize. Attached herewith is the contest mechanics.

Should they wish to join, please notify the AKELCO Institutional Development Department using the attached notification form on or before August 7, 2017, 8:00 A.M.- 5:00 P.M. They can also submit the duly filled up scanned copy of the form through email at [yokomendoza@yahoo.com](mailto:yokomendoza@yahoo.com)

For more details, you can reach us at (036) 274-7274 and look for Mrs. Yoko T. Mendoza, PIO.

Respectfully yours,

**ENGR. ALEXIS M. REGALADO**
