 Office of the Schools Division Superintendent

Dear Dr. Servillon:

Greetings!

The Aklan Provincial AIDS Council would like to express its deep appreciation for your continued support and commitment to our HIV AIDS advocacy. With you as partner, our over all goal of Zero New HIV Infections, Zero Stigma and Discrimination and Zero AIDS-related Deaths will soon be realized.

On our 17th year of commemorating the World AIDS Day, several provincial and local government, and non-government organizations will focus their energy on raising awareness about HIV and AIDS. This is our concerted efforts to prevent HIV infections especially among most at risk groups and also to provide services for people living with HIV and AIDS, their affected families and significant others.

With this, we would like to ask permission from your good office to allow our team which is composed of RHU staff and trained peer educators in conducting the **Red Ribbon Campus Tour** to selected high schools in the province. This is to raise awareness among students on HIV AIDS prevention and other health related concerns. The interactive lecture-discussion will run for 2-3 hours per school.

Attached herewith are the proposed schools and dates for the conduct of the said activity.

We thank you for your continued support and engagement in our processes towards strengthening our local responses to the challenges of HIV and AIDS and continued development.

Our secretariat can be reached thru: the Provincial Health Office, Telefax: (036) 268-56-26. Ms. Debbie or Mr. J-Lorenz is much willing to address your concerns.

Yours in Public Service,

DR. VICTOR A. SANTAMARIA
 Provincial Health Officer II
 Co-Chair, Aklan Provincial AIDS Council
