Dear Dr. Servillon :

Greetings!

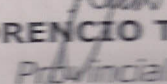

As the **Province of Aklan turns 62 on April 25, 2018**, we are proud to say that within the span of a little more than six decades of existence, Aklan has metamorphosed into a vibrant and progressive province, visited not only by the local populace but by people from different parts of the globe. These myriad of achievements are evident and had been enormously attained primarily with the unrelenting efforts of the Aklanon community.

To commemorate the event, the Provincial Government of Aklan shall spearhead **Aklan's 62<sup>nd</sup> Anniversary Celebration** with fitting, month-long activities and we shall be publishing a souvenir program to feature Aklan's economic progress and acknowledge your generous support through the publication of greetings and advertisements.

In line with this, we would like to invite you to be one of our sponsors/advertisers and be our partner in making this coming anniversary celebration a success. Attached is our contract with corresponding advertisement rates. We shall coordinate with you on your commitment. Very truly yours,
