To: **Chief Education Supervisors
Education Program Supervisors
Senior/Education Program Specialists
Public Schools District Supervisors
Principals/Head Teacher In-Charge of the District
Heads of Public Elementary, Secondary and Integrated Schools**

Dear Sirs/Mesdames:

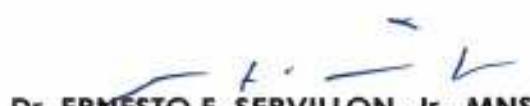

Please find attached letter from University of the Philippines Visayas, College of Fisheries and Ocean Sciences, Institute of Aquaculture, Miagao, Iloilo re: Aquaculture Enrichment for Teachers which content is self-explanatory.

This training is a rare opportunity for our aquaculture teachers. This will enhance their knowledge and skills in teaching aquaculture specialization.

Travel expenses and lodging of participants shall be charged against local funds, subject to the usual accounting and auditing rules and regulations.

For your information and guidance.

Very truly yours,

Dr. ERNESTO F. SERVILLON, Jr., MNSA, CESO VI
Asst. Schools Division Superintendent
Officer In-Charge
Office of the Schools Division Superintendent

DIVISION LETTER
No. 59, s. 2018

19 March 2018

Dr. Ernesto F. Servillo, Jr., MNSA, CESO V
Asst. Schools Division Superintendent
Officer-in-Charge
Office of the Schools Division Superintendent
Zamboanga City
Telefax No. - (036)268-4234

Dear Dr. Servillo:

The Institute of Aquaculture (IA), College of Fisheries and Ocean Sciences (CFOS), University of the Philippines Visayas (UPV) is pleased to inform your school that we will be conducting a public service activity on aquaculture enrichment for college teachers. The training aims to share knowledge and develop the skills of the teachers who are going to handle junior and senior high school students and update college teachers on the latest activities related to fisheries science.

In this connection, we would like to invite you and your faculty to participate in this training activities which will be held on April 16-20, 2018. We can only allow 15 participants per batch in order to provide intensive training program. The Institute will expect the names of your faculty on or before 2 April 2018. This will be on first come first served reservation. It is understood that incidental expenses like board and lodging and transportation expenses relative to the attendance of your faculty to this training will be shouldered by your school.

We are looking forward to an enriching partnership with your institution on developing the skills of teachers in aquaculture.

Thank you and more power.

Truly yours,

DR. REX FERDINAND M. TRAIKALGAR
Director
