SUBJECT: Permission to conduct Campus Ministry in Manoc-manoc and Balabag High School - Boracay, Malay, Aklan

Dear Sir/Ma'am,

Greetings in the name of Christ!

We pray you are well and under the mighty protection of our Lord Jesus!

We are from Lighthouse Christian Community - Boracay, a bible-based Christian fellowship with main office at Alabang, Muntinlupa. We are pioneering a church here and by God's grace opportunities are being opened and ministry works are already happening.

We are reaching out to the different sectors of our society through the ministries that we've started such as feeding for kids and Bible study for adults.

We believe it is through these efforts that we are making significant contribution in the lives of our fellow Boracaynon, especially with our new generation composed of the youth, primarily by bringing them closer to our Lord Jesus Christ and secondly by helping in their socio-economic condition.

In line with these activities, we intend to start a Campus Ministry in your good school. The purpose of the activity is to reach out to the students, share the Gospel and the love of Jesus to them and invite them to join different activities that will hone their skills and talents. We long to help shape the character of the students, condition them to be better students, and guide them to have a positive and better outlook in life.

It is in this regard that we would like to request your kind heart to allow us conduct this activity without causing any conflict with your school activities and program within the premises of your school.

We would also like to request that you permit us to enter classes when the teacher is not able to go to class since we were told that this was allowed by the school before.

We are looking forward to your positive response to our request.

In Christ's Service,

Pastor Gilbert Bantilan
