Dear Sir,

Greetings!

Provincial Ordinance No.05-026, dated August 24, 2005 established the creation of the Aklan Rivers Development Council (ARDC). ARDC is the highest consultative body for the development and utilization of Aklan Rivers System.

In view of its mandate, the Aklan Rivers Development Council with technical assistance from the Provincial Planning and Development Office (PPDO) will be conducting a Clean Up Drive with the theme: "Partnership for a SAFER Aklanon Environment" on September 29, 2017.

This activity will serve as the people's contribution to help reduce the incidence of flooding/soil erosion, the community's contribution to help protect/conserves and preserve the environment and in helping to promote and enhance everyone's participation to development and disaster risk management.

In this connection, we would like to enjoin the participation of all elementary and secondary schools in Kalibo to join in this laudable event by cleaning their respective areas (in front of the school compound) on Sept. 29 at **7-11AM**. This will be a simultaneous activity to be participated in by the different LGU, NGA, NGO and private partners with their own area of assignment.

Part of this event will be the Poster and Slogan Making Contest, open to all secondary schools in the Province which will be held on **October 11 (Wednesday)** 1PM at CityMall Kalibo. Mechanics, contest criteria and entry/registration form are attached in this communication.

For confirmation and other concerns, please don't hesitate to contact Mr. Reylourd Aragon or Ms. Joji David at 268 5442 or 262 1555.
