Dear Sir **Aposin**:

Greetings from the Department of Information and Communications Technology!

The Digital Teachers Training Program of the ICT Literacy and Competency Development Bureau (ILCDB) aims to build and transform the digital competencies of Filipino teachers through Information and Communication Technologies.

In response towards the call for a Better Normal in education, we will be conducting a **Digital Teachers Training** through **Google Meet** on the following dates:

- Batch 2 16-20 November 2020, 1:00 PM to 5:00 PM for Secondary School Teachers

The free online training will provide an overview of the teaching and learning landscape amid COVID-19 and suggest ways to move forward with the employment of knowledge and skills in open distance learning. It hopes to create a pool of teacher who will promote the advancement of digital education in the Philippines.

Prospective and qualified participants are requested to register at <https://bit.ly/TOTdigitalteachers>. We have attached a course information sheet for more details of the training.
