DR. SALVADOR O. OCHAVO, Jr., CESO VI
Schools Division Superintendent
Department of Education
Division of Aklan

Dear Sir Ochavo,

Greetings!

Goducate is a non-profit organization which aims to help needy Asians help themselves. Its mission is to "Go and Educate" people who are otherwise have no access to education so that they can escape lives of hopelessness and uselessness. We work with government, non-government organizations, groups and individuals whose desire is to prepare the next generation of leaders by building the youth.

GoTeens, is Goducate's platform for the youth which aims to train the next generation of leaders. As we are all aware, the country's youth is facing problems on Substance Abuse, Teenage Pregnancy and Sexually Transmitted Diseases. The program has reached as far as Sorsogon, Guimaras, Negros Occidental and Iloilo Provinces.

In line with the Department of Education's thrust of building the youth, we would like to offer a **Leadership Training** to selected public secondary schools in your Division. This will be a day-and-a-half training where the student leaders will be equipped to echo their learnings to the entire student body. In this training, they will work as a team to teach these problems and solutions to their fellow students. They will also be equipped in their leadership skills through fun and interactive activities. There will be a **registration fee of Php100.00** for each student leader for their training materials. The number of leaders to be trained per school will depend on their number of classrooms with five trained student leaders who will do the team teaching (1:5 ratio).

Attached to this request are the list of schools to conduct the piloting of Leadership Training and the training matrix.

Should you have any concerns and interests in this program, we are available for correspondence.

Thank you and God bless!

Yours truly,

TEOFY CLARISSE N. GUZON
