OUA MEMO 16-0320-0679
MEMORANDUM
28 February 2020

**For: Regional Directors and BARMM Education Minister
Schools Division Superintendents
Regional and Division Sports Officers**

**Subject: DATA GATHERING ON SCHOOL SPORTS FACILITIES FOR
THE SCHOOL SPORTS INFORMATION MANAGEMENT SYSTEM**

In its efforts to address the gaps in resources and facilities, the Department of Education (DepEd), through the Bureau of Learner Support Services-School Sports Division (BLSS-SSD), will develop a **School Sports Information Management System (SSIMS)**.

The system primarily aims to gather all information necessary for school sports such as manpower, facilities, and equipment. This database is essential to enhance and strengthen DepEd's sports program for all public schools nationwide.

For the first phase of data gathering, the BLSS-SSD will focus on identifying what **sports facilities** are already existing in public schools (e.g., gymnasiums, courts, track ovals, others.). This will help to:

1. identify schools that need intervention to improve their sports facilities;
2. determine the necessary sports equipment to be provided to schools through the School Sports Equipment Enhancement and Distribution (SSEED) Program; and
3. identify schools that can serve as playing venues for future sports programs and activities.

Accordingly, all schools are instructed to accomplish the survey form at **bit.ly/SSIMSFacilities** (case-sensitive) and to submit the same on or before **31 March 2020**. The Division Sports Officers (DSO), for their part, are requested to ensure that all schools under their jurisdiction have complied.

For questions and concerns, kindly contact BLSS-SSD at landline (02) 5863-0960 or at email **blss.ssd@deped.gov.ph**.

For immediate and appropriate action.
