Why Maroon?	Represents a color of DepED, Division of Aklan to signify molding the minds of the people from the level of innocence and ignorance; the main reason that DepED-Aklan tries to reach the unreachable and underserved
The Book Illuminated by the Torch?	A classic insignia of the Academe: a beacon of the enlightening and liberating effect of education towards consciousness and knowledge. But instead of the usual stiff white flame sticking-up vertically , it adopted a gradient red flame slightly at an angle in an impression that it will not flicker-out despite the strong winds.
The Core Values and the year?	"Maka-Diyos, Makatao, Makakalikasan at Makabansa": The DepED Core Values. "Since 1958": the year we separated from the Division of Capiz.
19 Yellow Rays?	The 19 yellow rays, signify the nineteen Districts that comprise the Division of Aklan.
The laurel leaf?	Triumph over the most trying times. It also adds an interesting continuity for the interlacing ribbon at the base of the book to the flayed tip of the heralding inscription just on top of the flame.
The Map?	Represents our Province.
Two stars in direct opposite position?	Represents the Schools Division Superintendent and the Assistant Schools Division Superintendent as vanguards of DepEd Aklan.
