FROM : JESUS L.R. MATEO
Undersecretary

SUBJECT : *School Effectiveness Toolkit for BE-LCP Implementation in Schools*

DATE : September 25, 2020

Pursuant to the policies issued by DepEd in relation to the learning continuity of learners amid the COVID-19 pandemic, a *School Effectiveness Toolkit (SET)* has been developed by the Bureau of Human Resource and Organizational Development - School Effectiveness Division (BHROD-SED). The SET aims to build confidence, ensure readiness, and facilitate the implementation of the BE-LCP at the school level by highlighting relevant school processes; providing tips and guides in implementing different school activities; and discussing measures in ensuring the health and safety of learners and school personnel.

The SET was developed through the conduct of a series of consultation meetings with selected Central Office representatives and field personnel, including school heads. Salient features of relevant issuances as well as innovative practices from selected SDOs and schools were cited to give schools an idea on how their respective learning continuity plans can be implemented.

Bearing in mind the urgent need of our schools for reference materials on school operations during this pandemic, the SET was designed to be as user-friendly as possible. The school processes were presented in infographics, effective strategies of other schools based on the dry runs conducted were shown as examples, and the roles of different school personnel and stakeholders were mapped out to facilitate the delivery of essential education services at the school level.

All Regional and Schools Division Offices, particularly the School-Based Management Coordinators, are urgently requested to ensure wide dissemination of the SET in schools. The SET can be downloaded at <http://bit.ly/SchoolEffectivenessToolkit2020>.

For queries or concerns, you may contact BHROD-SED through email at bhrod.sed@deped.gov.ph.

For your immediate appropriate action.
