SUBJECT : **Survey on the Perception of Teachers and Other School Personnel on Vaccination**

DATE : **March 3, 2021**

In preparation for the possible conduct of face-to-face classes, the Department of Education (DepEd) will be conducting a survey that seeks to gather the perception of teachers and other school personnel on the vaccination program in the country. This shall help the Department determine and understand the perception of teachers and other school personnel on vaccination and obtain information essential for its decision-making in relation to vaccination.

The participants of the survey will be **teaching and non-teaching staff of both public and private schools** nationwide.

Each region will have a unique link for the survey. The survey link will be sent to email addresses of all personnel and posted in the Basic Education Information System (BEIS). The Planning and Research Units shall assist on the information dissemination of the survey to all public and private schools in their respective divisions.

The schedule of accessing and accomplishing the survey is as follows:

Opening Schedule	March 5, 2021, Friday	8:00AM
Closing Schedule	March 9, 2021, Tuesday	5:00PM

Participation to the survey is **voluntary**. There will be no personal benefit and/or consequence from participating in the survey. However, participation is highly encouraged as this will provide us with data to strengthen our policies and programs.
