Dear **Dr. Servillion**,

Greetings!

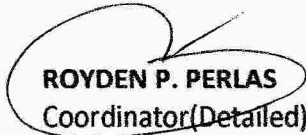

The search for the Ten Accomplished Youth Organizations (TAYO) is hailed as the country's leading search for outstanding groups of young Filipinos who are instrumental in the development of the country through simple, worthwhile, and innovative projects meant to solve problems in their local communities, school, or workplace. On their fifteenth year, they will create lasting impact to more youth organizations through mentorship, collaboration, networking and capacity-building.

This year, TAYO Talks will focus not only in encouraging youth groups to join the Search but in equipping youth groups to implement effective and lasting projects and programs. The TAYO Talks 2017 aim to lift awareness and give more opportunities for growth and improvement to deserving youth organizations across the country. The event will invite at least 200 representatives from different youth organizations in different provinces who will experience series of talks about innovation and creative thinking, advocacy campaigning, team-building activities and workshop sessions, capacity-building activities, and ideas- sharing and collaboration.

In this regard, we would like to invite the **Supreme Student Government Presidents with their respective Teacher-Advisers** in public secondary schools the Division of Aklan to attend the **TAYO Talks 2017**.
