Dear Sir,

Greetings!

The Provincial Government of Aklan through the Sangguniang Panlalawigan in cooperation with the Office of the Provincial Agriculturist had invited thirty-Eighth (38) Dep ED participants to a Season Long Farmers Field School in Kalibo Pilot Elementary School. This is in support to the Rainshelter Project (Gulayan sa Paaralan) of the Provincial Government of Aklan.

Ament to this, we would like to request permission from your good office to allow the Thirty-Eight (38) participants to join the farm visits and be allowed to claim travelling expenses and per diems charge to their respective schools. The three identified farms we are to visit are the Organic Farm at the Tagbak Elementary School in Oton, Iloilo, Tigbawan Iloilo Farm and Tubungan Organic Farm all in the Province of Iloilo on September 6, 2019 on assembly time of 4:00 am in the front of the Kalibo Pilot Elementary School. The farm visits and field exposures to these model farms is one of the vital parts of this activities wherein they can adopt and or replicate to their own schools the good management practices implemented in that farm. Attached is the list of participants we are inviting.

As agreed in the last session, participants will bring their own food/snacks and shoulder their own transportation expenses.

Thank you very much in anticipation of your favorable action on this request.

Very truly yours,

SALOME P. DAVID
PGDH-OIC
