Sir:

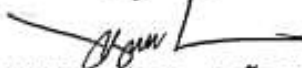

Greetings of Love and Peace!

Our brother in the service, MR. JOHN PAUL A. SITJAR was diagnosed with heart disease and a rare type of cancer known as Ewing's Sarcoma that seriously affected his left leg causing its amputation. He is now on daily cardiac maintenance and is also undergoing chemotherapy to stop the spread of cancer cells. In this connection, I would like to appeal for financial help from our DepEd Aklan community as we understand the difficulties Mr. Sitjar's condition has inflicted on him and his family. I am certain that any gesture of support especially monetary will help lighten the burden which they are going through these days.

Attached is a medical certificate verifying his health condition.

Thank you in anticipation of the favor you are going to extend to Mr. Sitjar. God bless and more power!

Sincerely yours,

  
**MARIPAZ M. SEÑORITA**  
Officer In-Charge
