Sir:

Greetings of Love and Peace!

We would like to appeal to our DepEd family (Teachers, Staff, School Heads, and DepEd Officials) for their kind and generous financial support for **Mrs. Wilma B. Bautista, 52 years of age and a Teacher III of Camaligan National High School, whose medical findings showed she has the brain tumor that caused her speech and movement to be paralyzed slightly, and that she needs immediate surgical operation for tumor removal to help her recover.**

She is also suffering from her depression and is being diagnosed by a private psychiatric doctor.

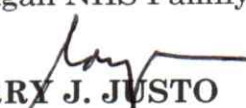

We will highly thank and appreciate your donation with our earnest prayers of two-fold return of God's infinite graces upon you and your family.

Helping one another is the true spirit of our service.

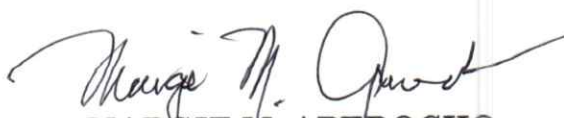

God bless us all DepEd Family!

Herewith attached is the medical result of her physical examination.
