DR. SALVADOR OCHAVO
Division Superintendent
Department of Education
Province of Aklan

Dear Dr. Ochavo,

Greetings from the Gerry Roxas Foundation Leadership Development Program!

It is with great enthusiasm that we would like to inform you that effective this year, the Gerry Roxas Leadership Award (GRLA) will be conferred to graduating senior high students (Grade 12) during their graduation ceremonies. This is a significant development because the (GRLA) used to be conferred to junior high students during their completion ceremonies. After conscientious deliberation and dialogue with officials from the Department of Education as well as GRF executives, it has been decided that Grade 12 would be the most appropriate level at which the GRLA must be conferred so that students may reap the maximum benefits from the Leadership Development Program of the foundation.

In this regard, we would like to seek your assistance to ensure that all graduating senior high students are considered for the award. To do this, we would like to ask for the complete list of schools offering senior high school (Grades 11 and 12) in your province to include those operating in Cities/Component Cities in your provincial area of jurisdiction. In addition, to facilitate our intention of partnering with these schools for the award, we would also like to ask for the names of their principals and their contact numbers. You may email the requested data to redpaine@yahoo.com or bjargos@up.edu.ph or you may contact me for more details at the Roxas City Tourism Office (036) 6200 544.

We hope you are one with us in mind and spirit in our commitment to quality education and building a nation of leaders! We are looking forward to hearing from you soon!

Warmest regards,

DR. BRYAN MARI ARGOS

Visayas Coordinator
