Re: BOOKSHARE CORNER PARTNERSHIP

Greetings from BOOKSHARE which is the largest Accessible E-Library in the world for the blind, visually disabled and impaired supported by Beneficient Technology, a non-profit involved in developing technologies for marginalized sectors and communities based in California USA.

As part of our mission and advocacy of inclusion and equitable access to learning for all, we invite schools, university, company or organization in your Region to be our **BOOKSHARE CORNER PARTNER**. Through this OUTREACH PROGRAM, we hope to raise awareness for learning accommodations needed by students and adults with reading difficulties and print barriers through the E-Library.

This collection includes several categories of books which can be used for supplementary reading or self-learning, namely: Literature and Fiction (5,485) Nonfiction (4,186) History (1,400), Textbooks (868), Education (726), Biographies and Memoirs (627) Children's Books (535) Art and Architecture (408), Religion and Spirituality (371) and Poetry (335).

Through this Program, **BOOKSHARE** will be extending **FREE ACCESS TO OVER 9,000 Accessible Books** from our **BOOKSHARE Copyright Free Collection**. Anyone who visits the **BOOKSHARE CORNER** can simply read the Books setting the **READ NOW** function or download the Books to his/her convenient gadget. It can then be read through the **Screen Readers** built in computers, laptops, tablets, smartphones, mp3 players, braille readers or Read Aloud built into Word.

A **BOOKSHARE CORNER PARTNER** is requested to provide the following:

1. At least One (1) Dedicated Desktop or Laptop for access of the Books Online in a library or special education or resource center
