Possible reasons for the gaps in the usage of the Portal

- ✓ There are many LRs already developed in the school and district level.
- ✓ There is a small number of uploaded Akeanon LRs in the portal (2), and most of them are in the Division Portal (93).
- ✓ There is limited (sometimes non-existent) Internet connection, especially in far-flung schools
- ✓ Many teachers are still downloading materials from the Internet, regardless of copyright.
- ✓ Newly-hired teachers are not introduced to the portal
