Dear Dr. Aposin,

Greetings from Unilab Foundation!

We are proud to inform you that **TEAM GABAY** from the province of Aklan is among the Ten National Finalists of the tenth run of Ideas Positive. Ideas Positive is Philippines' premier youth engagement program dedicated in building the youth as leaders for health. As part of the top 10, the team is required to attend the Ideas Positive Run 10 Boot Camp. The Boot Camp aims to equip them with the essential skills, empower them as a team, and enable them to confidently implement their projects to deliver the best health outcomes in their chosen communities. It will be held in Mt. Purro Nature Reserve, Antipolo City, Rizal on February 27 – March 2, 2020.

In line with this, we would like to request your permission to excuse the members of the team from their classes / work on the said dates:

Dear Gia, Crisalyn, and Queenie,

Welcome to our growing family of #healthierPH builders!

Hundreds of youth nationwide answered our call to lead the change towards building healthier communities for all. After a rigorous screening and deliberation process, we are pleased to inform you that your team with the project "Project MaKaKaya" was chosen as one of the Ideas Positive Run 10 National Finalists. Congratulations!

As a national finalist, your team will be entitled to join an all-expense paid boot camp from **February 27 to March 2, 2020**. The boot camp is designed to equip you with the knowledge, skills, and tools that will enable you to implement your positive idea with enthusiasm and confidence. Please note that failure to join the boot camp will automatically disqualify you from the competition. In the event of unavailability on the said dates, kindly inform the Ideas Positive team as soon as possible.

To make the most of this experience, you will also be required to attend a six-week online class starting the second week of January leading to the boot camp. Please note that your team's class output will be essential for the activities of the boot camp. The mechanics and platform will be relayed to you on a separate notice.
