Dear Dr. Aposin:

Greetings from Philippine Red Cross Aklan Chapter!

For over 72 years, the Philippine Red Cross (PRC) has made a mark in the entire world because of its programs that are designed to address humanitarian challenges, such as disasters, health crisis, and armed conflicts. As of date we have given 9,000 beneficiaries of shelters and livelihood, fifteen (15) units Barangay Health Stations and WASH facilities and twenty one (21) classrooms and other services.

PRC has become a model National Society when it comes to supporting communities affected by disasters and emergencies—from risk reduction to relief and recovery. We earned the respect of the international community because we are able to efficiently deliver humanitarian services out of the contributions and donations received from partners from public and private industries like you. We have a high functioning National Society, but need to raise funds to have enough resources to support the needs of the people.

The Philippine Red Cross is organizing the **Million Volunteer Run 5 (MVR 5)**, a fundraising initiative that aims to sustain our operations. This will be held simultaneously in Luzon, Visayas, and Mindanao on **December 8, 2019**.

In line with this, we are asking you to help us continue our operations by endorsing the MVR5 to all private/public elementary, secondary/integrated schools in the province or registering your employees as participants to this life-saving event. **The Registration fee is Php 700 per runner that comes with a singlet, string bag and bib. However, for registration fee for students is Php 100 without inclusion of the race collaterals.**

Attached is the draft division memorandum for your approval.

We are always grateful of your assistance to your local Red Cross. Should you have any queries, you or your team may contact **Mr. Errol R. Ordines** at (036) 268-1425; (036) 500-9441 or through our email aklan2@redcross.org.ph

Together, let us run for humanity. Run with PRC Aklan!

Respectfully yours,

MARY JOE B. GALEON
Officer in Charge
