Dear Dr. Servillon,

Warm greetings!

Save the Children is an organization fighting for children's right to a future.

This letter supersedes our letter last September 27, 2017.

This was in reference to our previous communication sent last September 27 regarding our invitation to the **Regional Curriculum Specialist Training in Disaster Risk Reduction on October 4-6, 2017 in Punta Villa, Arevalo, Iloilo City. Please be informed that the schedule is moved to October 10-12, 2017 in Punta Villa, Arevalo, Iloilo City.** The three-day activity aims to equip the participants with the knowledge of basic DRR concepts and increase their capacity to effectively integrate DRR into the different subject areas of the curriculum

We are requesting 12 participants from the Curriculum Implementation Division, Education Program Supervisors, master teachers and district supervisors. We are also inviting the presence of the Division DRR Coordinator in this orientation and as part of the training team. The cost of travel, board and lodging for the whole duration of the 3 days training will be shouldered by Save the Children. Registration will start at exactly 8:00 o'clock in the morning on October 10, 2017.

Please feel free to contact our Project Officer, Jennifer Cubos at mobile numbers **09109162854** or email: Jennifer.Cubos@savethechildren.org for any questions or clarifications regarding this activity.

We hope that this request would merit your favorable response. We look forward to continuing our fruitful collaboration with your office.
