Attention: **DR. MELCHOR KIM KWAN**
Focal Person - Demand Generation

Dear **DR. UYTICO**:

The conduct of the National Vaccination Days from November 29 to December 1, 2021, aims to speed up the roll out of inoculations to achieve herd immunity against COVID 19. This initiative is spearheaded by the Department of Health and the Department of Interior and Local Government, and all government agencies are directed by the President to extend all possible support to this "Bayahihan Bakunahan" program.

Relative to this, several Coordination Meetings were conducted and one of the agreements was to conduct a Townhall Session for Dep-Ed Personnel and Teachers who can be staunch advocates for COVID-19 Vaccination.

We, therefore, would like to request your good office to organize a Townhall Session before the actual campaign. We will be coordinating with Dr. Melchor Kim Kwan regarding the program flow and the schedule of the said Activity. A resource speaker from DOH WV CHD will be joining you in this endeavour.

We look forward to your positive response. Should you have further clarifications, please feel free to contact Dr. Jimmilly Aguilang, Head, Task Group for Demand Generation at 3322326 or email us at dohro6hpu@gmail.com

Thank you very much.

Very truly yours,

ADRIANO P. SUBA-AN, MD, MPH, MCHM, CESO IV
