Dear Sir:

Greetings!

The last week of September is the Annual National Medicine Week. To celebrate this important event, the Aklan Medical Society will hold the **RockRapAn: Kabataan Kontra Yosi 2018** on **September 29, 2018** at the Aklan Catholic College Gymnasium. The goal of the activity is to promote awareness among the youth of the ill effects of smoking. This event will be a campaign to discourage the initiation and encourage the cessation of smoking among this vulnerable population. The target population for this event will be high school and college students as well as the medical community. This event will consist of two competitions. The first will be an Alternative Rock Battle of Bands, which will be open to amateur musicians consisting of hospital personnel and college students. The second will be a Fliptop Rap Contest, which will be open to high school students.

In this regard, it is our honor to invite your good office to be our partner in this worthwhile project. We envision the **RockRapAn** to have far-reaching effects on our anti-smoking campaign and on youth empowerment. We hope that, with your support, this vision will be realized.

Thank you and we look forward to your favorable response. God bless!

Truly yours,

NIKKI JAMES FRANCISCO, MD, DPPS
