Service. Excellence. Innovation.

26 January 2022

DR. RAMIR B. UYTICO, CESO VI
Regional Director
DepEd Regional Office V
Iloilo City

Attention: **Dr. Rovel R. Salcedo**
Regional Science Supervisor

Dear Dr. Uytico:

The Science Education Institute of the Department of Science and Technology (DOST-SEI) would like to thank you and your office for the support you have extended to the projects that we have conducted in your region, particularly to the first online training for science and mathematics teachers nearing retirement age that was conducted last November 2021. We are glad to report that we have capacitated 73 teachers in regions IV-B and VI.

With the successful conduct and positive feedback from the participants, SEI will conduct the same training "*Science with Seniors*" in your region on February 10-11, 2022. This is also in response to the number of teachers who were qualified, but were not accommodated in the training last year due to the high turnout of participants in the actual training.

Relative to this, we would like to once again request the following assistance from your office:

- Identification and invitation of 80 science and mathematics teachers from your region, ages 56 to 65; and
- Issuance of DepEd Advisory or Memorandum for the participation of identified teachers.

Prior to the training, we would be needing contact information from the participants for faster communication between the Training Unit staff and the participants. Rest assured that all information will be treated with confidentiality and will be used for training and reference purposes only.

Enclosed is the *Participant's Information Sheet Form* for your perusal. Our staff, Ms. Mary Angelica (Lycka) Palomo, will coordinate with your office regarding this request. Should you have further queries/clarifications, she may be reached at mobile number 0977 258 7615; or at email address seid.trainingunit@gmail.com.

Also attached is a draft program of activities for your reference.

Thank you and we hope for your usual support.

Very truly yours,

JOSETTE T. BIYO, Ph.D.
Director
