 Archbishop Reyes Street, Poblacion, Kalibo, Aklan

Dear Dr. Servillon:

In line with STI's aim of providing real-life education to its students, and with our desire to help in the promotion of the tourism industry in the province of Aklan, the Senior High School Department of STI College-Kalibo, as part of the implementation of the Outcomes-Based Education (OBE), will conduct a Performance Task involving all strands of Grade 12 SHS students through an Exposition Event (Expo) with the theme "RESTORING CULTURAL PRIDE AMONG MILLENIALS".

The STI Expo 2018 will showcase the 15 municipalities of the province of Aklan through a booth, with the same concept as the Philippines' World Travel Expo. This event has a two-fold purpose: (1) exposing students to real-life situations that will unleash their potentials according to their respective competencies; and (2) uprisng the local municipality assigned to them.

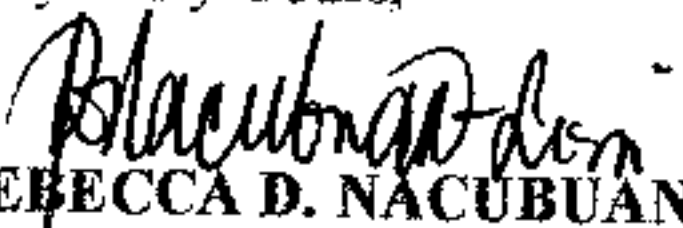

This will be a three-day event from February 28 to March 2, 2018 at ABL Sports Complex, Kalibo, Aklan. The first two days will focus on the display of the products, some delicacies, the gallery of destinations, launching of mobile applications and the video presentations. On the last day, we will have a programs that which includes cultural dance presentations and the food court.

In this light, we would like to invite you to be with us in the Opening Program of the STI Expo 2018 on February 28, 2018. May we also invite you to give an Inspirational Message on March 2, 2018, on the finale day. We would also like to request through your good office to invite your staff and other High Schools in the Province of Aklan to visit, experience and appreciate each municipalities' pride through the various outputs our SHS students had prepared.

Attached with this letter of invitation is the sequence of the programme for the STI Expo 2018. Should you have questions or concerns, you may reach us through phone at 268-3881 or through my email address, rebecca.nacubuan@kalibo.sti.edu.

We are positive that this event will help us reach our objectives of helping the students reach their full potentials and to promote the pride of each municipality in Aklan. Thus, your positive response on this request will be highly appreciated.

Very Truly Yours,

REBECCA D. NACUBUAN-LIM

This serves as an invitation

STI Expo 2018

STI has been providing its student with real life education through various activities. This term's performance task focused on "Restoring Cultural Pride Among Millennials", which is a thrust of not only unleashing the students potentials in developing outputs with real-world applications, but also to help the municipalities of Aklan discover and promote their pride. Through the development of five outputs— travel brochure, promotional video, a new pastry, an android app, and a booth— the grade twelve students of STI College-Kalibo Senior High School hope that these promotional tools will be exposed for other to know that Aklan has a lot to offer, which visitors can enjoy in any municipality and immerse on its culture.
