SUGGESTED ACTIVITIES FOR 2018 LITERACY WEEK

The Literacy Week Celebration is an excellent venue for learners to showcase their knowledge, talents, and skills. It will help them deepen their understanding and appreciation of the different literacy programs and projects which are geared towards the development of the learner's lifelong love for reading.

In line with this year's Literacy Week Celebration on September 2-8, 2018 which is anchored on the International Literacy Day of UNESCO with the theme, *Literacy Skills and Development*, the following activities are suggested for the school:

1. Storyreading by community leaders, parents, teachers, principals, supervisors
2. Reading Aloud Activities
3. Poetry Reading
4. Book Fair

The school may choose to hold other activities which may be deemed necessary and relevant to the learner's literacy enhancement. Hence, everyone, including the community leaders and other stakeholders, is encouraged to take part in this week-long celebration.

All Schools Division Offices are enjoined to organize similar activities and support the Schools and learning centers in this celebration.
