 FOCAL PERSON

Dear Dr. Servillon:

This is in connection with our 2nd letter of invitation wherein we have invited your (1) TLE teacher to a six (6) weeks training on Season Long Farmers Field School at Estancia Kalibo.

For a season long farmer field school, standard duration is fourteen (14) to sixteen (16) weeks at one day per week classes. This is an exposure to participants on actual vegetable production activities and an experiential learning that encourages sharing of field management practices among participants. Relative to this, we would like to add 10 more weeks to complete the training. The season long training will start on October 27, 2017 and will end on February 16, 2018. Schedule will be every Friday at Lolo Maning's Farm, Barangay Estancia, Kalibo, Aklan and on February 23, 2018 we will be having a field trip in Oton Iloilo for a farm visitation.

We would like to reiterate that this training is intended to thirty (30) pax representing thirty (30) different schools that are Rain Shelter Project recipients in the province of Aklan-a development program of the Provincial Government of Aklan through the Sangguniang Panlalawigan in coordination with the Office of the Provincial Agriculturist.

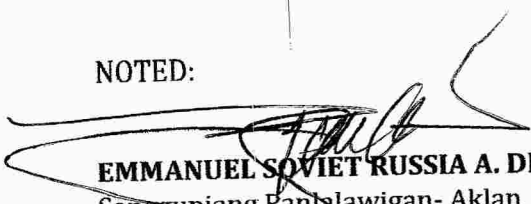

We are confident that you will enjoy and learn a lot during our hands-on demonstration. Attached is the lists of schools we have identified to attend.

Your most favorable response is highly appreciated.

Very truly yours,

SALOME P. DAVID
 Asst Provincial Agriculturist
