Numancia Integrated School as one big happy family is suddenly impaired with the incident that included a beloved member.

Mr. JENOLD G. TEMPLONUEVO, an administrative aide of the school who also takes care of the Office of the District Supervisor of Numancia and a member of the kitchen personnel during West Visayan Sports Meet had a road accident on June 25, 2017. He is diagnosed with S/P arthrotomy knee, debridement femur, debridement foot, S/P open reduction, locked plate fixation, distal femur, split thickness skin grafting.

At present, he is confined in the hospital awaiting surgery that will hopefully fix his knee for him to walk again and go back to work.
