The Office of the Undersecretary for Administration (OUA) through the Information and Communications Technology Service-Educational Technology Unit (ICTS-EdTech), in collaboration with Google Educator Group Philippines, will conduct 20 webinar sessions titled *The Googley Filipino Teacher Training Series*.

This training series for public and private school teachers and learners can help in the conduct of synchronous learning and virtual meetings. Further, it can prepare teachers for hybrid learning upon return of face-to-face classes. The training will be conducted every Wednesday, **from 17 November 2021 to 06 April 2022, at 7:00 p.m.-8:30 p.m.**

The series aims to:

1. equip teachers with a new teaching tool,
2. introduce various Google applications to engage students in blended learning,
3. enable every teacher to discover more about the Google Tools in teaching and learning, and
4. help teachers improve their lesson plans by integrating various Google and EdTech apps in their everyday teaching.

This activity offers an open registration for interested participants. The session will be aired on the following social media accounts:
