Subject: Invitation for Dynamic Learning Program Training sponsored by World Vision Development Foundation, Inc. and Smart Communications

Dear Sir:

Christian Greetings!

WVDF, in its intent to pursue and promote the well-being of children, is currently implementing the Technical Program on Education with Child Protection which hopes to contribute to the functional literacy of children. To ensure the sustainability of our programming, we engage the community and different stakeholders to promote local ownership and community participation.

On this coming Dec. 4-8, 2017, World Vision Development Foundation Inc., in partnership with Smart Communications will host a training on Dynamic Learning Program to equip WVDF staff and the Deped partners on how to address contextual challenges in the delivery of learning and instruction using **DYNAMIC LEARNING PROGRAM MODEL**.

As one of our partners in Education Program, we would like to invite the following teachers (*please see appendix for the list of names*) to be one of the participants of the said training.

We will shoulder only the training expenses (food, accommodation within the duration of the training) of the teachers including their airfare. The rest of the travel-related expenses will be shouldered by the sending agency.

Should there be clarifications you may contact me through these contact details: jebanrel_ortega@wvi.org and/or via SMS at: 093999313080.

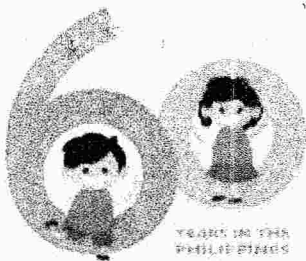

We are hoping for your favorable action hereon.

Thank you and God bless!

Sincerely,

JEBANREL D. ORTEGA
