Division of Aklan

Sir,

May the peace of the Lord be with you!

CFC Youth for Christ - Aklan has one goal, to make God and His love known and felt throughout the world, specifically to the youth generation. We aim to do as much as we can to achieve this goal for God. The work is great and we believe that we cannot do this alone. We have seen the passion of the schools and realize that we can work hand in hand to achieve more and do more for our God.

In line with this, we will have the **YFC Provincial Youth Conference (PYC)** on **November 10-11, 2018** at the **Malinao School for Philippine Craftsmen**. This conference aims to challenge the youth *to live up their identity as young Catholics*, rooted in *2 Timothy 4:1-5*. It also aims to attract, excite and empower the youths in every schools, campuses, parishes and sectors to share the peace they have found in the Lord as we are expecting to gather over 300 participants through this event.

It is in this regard that we write to you. ***We personally would like to invite your students from Grades 7-12 on both public and private schools in this glorious event.*** This will also be a great opportunity for all of us, to be gathered as one, all in awe and thanksgiving. Your approval, support and endorsement will be very essential not just in staging the event, but in bringing the community closer to God.

Thank you very much and we are really excited in seeing you in this year's conference. Let us all be one in celebrating and sharing God's grace and blessings to each of our lives!

For your reference, attached herewith are the registration fees and inclusions, and program of the conference. Should there be clarifications & questions please feel free to contact the undersigned.

Respectfully,
