DR. RAMIR B. UYTICO, CESO III
Regional Director
Department of Education - Region VI

Dear Dr. Uytico,

Greetings!

The **Junior Achievement of the Philippines, Inc. (JA Philippines)** – is a non-stock, nonprofit organization, with a mission to promote and train future young entrepreneurs through active participation in business mentorship and innovative diverse programs addressing the needs of the current generation. As a member of JA Worldwide, we are proud that the organization has been nominated for the 2022 Nobel Peace Prize Award, and recognized as one of the Top 10 NGOs for the fourth consecutive year by thedotgood (formerly, NGO Advisor).

Nowadays, almost everything is online – especially since the COVID-19 pandemic has brought about the new normal. Society has grown accustomed to working from home, attending classes through a computer screen, and bonding with peers online. This is why JA Philippines, in partnership with **Alannah & Madeline Foundation; and with the support of the DQ Institute and the Accenture Foundation**, is launching **eSmart Digital Licence+**, a program that focuses on educating high school students about **digital literacy, skills, and readiness** through a gamified and interactive learning experience.

With that, we request **at least 5,000 high school Champion Learners** from your end to **accomplish the first module** of the platform entitled Self Regulation in Technology by the end of February 2023. For this module, the students will understand the connection between how technology is designed and their ability to achieve a balanced and healthy use of technology.

This is an online platform where students need internet access to answer. We also request the cooperation and contact information of the school coordinators who shall participate in this partnership.

Please refer below for the program timeline:

February 9, 2023	Deadline Submission of Number of Students
February 10-12, 2023	Distribution of Account Details
February 27, 2023	Deadline of Answering Module 1
March 2023	Program Awarding
