ABOUT MATATAG

Bansang Makabata  Batang Makabansa

The MATATAG logo depicts the tagline Bansang Makabata, Batang Makabansa, as the Department aims to establish a nation that values its youth and the Filipino youth that values its nation.

Blue represents the culture of peace and inclusivity the Department continues to uphold.

Yellow stands for the optimism of our learners who strive to achieve their dreams and aspirations.

Red describes the burning passion of our educators, partners, and stakeholders to deliver resilient, quality education for all Filipino learners.

Brand Guidelines

APPLICATION

When applied to various media, ensure prominence of the MATATAG logo in terms of placement and proportion compared with other elements. Ensure that the guidelines on logo use are followed.

Brand Guidelines

IMAGERY

LOGO PLACEMENT

For logo placement in print and nonprint materials, the DepEd-MATATAG logo must be placed either at the top or bottom portion of the canvas. The Department's official social media channels may be placed at the footer of the material.

Brand Guidelines

IMAGERY

COLORS

Different color schemes based on the color wheel may be used (e.g., complementary, analogous, monochromatic, etc.). It is highly encouraged to limit the colors to four (1 light + 1 dark + 2 vibrant accents).

Ensure that the colors are consistent with the color scheme of the Department and that the overall design has a cohesive and harmonious palette.

Brand Guidelines

IMAGERY

TEXT

Never use more than three fonts in one design. Always define a hierarchy among them by exercising visual contrast through size, weight, or color. Use consistent style and appropriate sizes.

LAYOUT AND COMPOSITION

Use a grid. Grids create a connection between the different elements and give a sense of order.

Give each element on the canvas some space to breathe and balance between positive and negative space will emerge organically. Choose a single focal point that will catch and hold attention.

ICONS AND ILLUSTRATIONS

The following samples may be used as reference for the current style of icons and illustrations being used for the MATATAG agenda.

Icons were adopted from the designs created by **pikisuperstar** from [freepik.com](https://www.freepik.com).

When creating icons or using the works of other people, ensure that they are of the same style or based on the samples provided in this brand book. Ensure that they are royalty-free or the designer is properly credited.
