DIVISION MEMORANDUM

No. 272, s. 2023

**DIVISION WORKSHOP ON THE DEVELOPMENT AND QUALITY ASSURANCE
OF THE INTEGRATIVE PERFORMANCE TASKS ASSESSMENT MATERIALS IN
SCIENCE (IPTAMS) HARMONIZING ACROSS OTHER LEARNING AREAS
(ELEMENTARY AND SECONDARY LEVEL)**

To: **Chief Education Supervisors
Education Program Supervisors
Public Schools District Supervisors
Senior/Education Program Specialists
Heads of Public Elementary, Secondary and Integrated Schools
Science Teachers Concerned**

1. Assessment is an integral part of instruction, as it determines whether or not the goals of education are being met. Integration involves a sequence of linked assessments over several tasks. **'Integrative Assessment'** is assessment design that seeks to combine students' learning from multiple modules and/or levels into a single assessment. It is an authentic, situation-based performance or product that integrates the competencies, skills, and standards of two or more learning areas. This is done by teachers who collaboratively design the assessment.
2. To enhance the materials done on the previous workshop and to produce quality-assured outputs, a workshop is conceptualized under the Project MASIPAG or Malikhain at Sistemantikong Pagtuturo ng Agham. The **"Division Workshop on the Development and Quality Assurance of the Integrative Performance Tasks Assessment Materials in Science (IPTAMS) Harmonizing Across Other Learning Areas (Elementary and Secondary Levels)"** aims to enhance teachers' skills in the development of performance tasks assessment which could integrate Science and two or more other subject areas to have lesser number of tasks in every quarter. Thru this, learners will have lesser workloads without compromising their requirements in their different subject areas.
3. This workshop will be held on **July 17-21, 2023 (for Elementary Level)** and on **July 24-28, 2023 (for the Secondary Level)** at the **Aklan Training Center, Old Buswang, Kalibo, Aklan.**

4. Participants to this activity are the **Education Program Supervisor in Science, Training Facilitators/Moderators**, selected **Science teachers handling Science 3 to 10 who attended the first phase of the workshop, and teachers handling other subjects in Grades 3-10 integrated in Science Assessments to do the quality assurance.** The names of the participants are reflected in Inclosure 1.
5. **NO REGISTRATION FEE** shall be charged. Travel expenses and other allowable expenses, however, may be charged against local/school board funds subject to its availability and the usual accounting and auditing rules and regulations.
6. Participants to this workshop will be given **five (5) days Service Credit** as per DepED Order No. 53, s. 2003 since the schedule fall on school break/ teachers' break.
7. Immediate and wide dissemination of the content of this Memorandum to all concerned is strongly desired.
