Dear Director Uytico,

Greetings from West Aklan and Boracay Island!

First and foremost, I would like to take this opportunity to express my sincerest gratitude for the continued support the Department of Education has extended to the Second District of Aklan. The Department's commitment to creating a learner-centric public institution has truly been instrumental in honing Akeanon students become individuals who passionately love their country and whose values and competencies enable them to realize their full potential and meaningfully contribute to nation-building.

As we continue to push for the protection and promotion of the right of every Filipino to quality, equitable, culture-based, and complete basic education, I would like to respectfully request for your good office's active participation in the upcoming Tawag ng Tangalan - Aklan Got Talent.

The program consists of 12 weekends of talent search, jumping from one Akeanon municipality to another, featuring singers, dancers, magicians, comedians, and all kinds of performing artists across all ages. The program will be conducted in three phases, namely;

Phase I - a competition within the Municipal Level, thus inter-barangay,
Phase II - a competition within the District Level, considered as the "Semi-Finals" and is therefore inter-municipality, and lastly
Phase II - the "Grand Finals" in which the winners from two districts of Aklan will be competing against each other

Anchored on the importance of creating stages and avenues through which individuals, most especially students, can continuously showcase and nurture their talents and be appreciated, we humbly seek the strong support of the DepEd Region VI to our annual event. In particular, we hope that your good office, thru the Office of the Schools Division Superintendent of Aklan, can issue a Memorandum enjoining all Principals of Elementary and Secondary Public Schools in Aklan to encourage their students to participate in the aforementioned event.

May we continue working hand-in-hand in supporting undergraduate students in building confidence and competence. We look forward to your favorable response regarding this request.
