Sir:

I hope this letter finds you in good health and high spirits. On behalf of Aklan State University, I am writing to address a matter of scheduling conflict that has come to our attention and requires your urgent consideration.

As part of our university's admissions process, we are scheduled to conduct the University Admission Test for prospective students on March 25-26, 2024. Regrettably, it has come to our attention that this date coincides with the third quarter examination date for the Grade 12 students under the Department of Education.

Understanding the importance of both assessments, we recognize the undue stress and dilemma this poses for the students who are applicants to Aklan State University. Therefore, we kindly request your support and cooperation in excusing these applicants from taking their third quarter examination on the aforementioned date and giving them another schedule. By granting this exemption, we aim to alleviate the burden on these students and enable them to fully focus on their university admission test, ensuring a fair and equitable opportunity for all applicants to demonstrate their academic abilities.

Your understanding and assistance in facilitating this request would be greatly appreciated and would contribute to the overall success and well-being of the students involved.

Thank you for your attention to this matter. Should you require any further information or clarification, please do not hesitate to contact our director for Admission and Registrarship at 268-6253 or [admission.registrarshipasu.edu.ph](mailto:admission.registrarshipasu.edu.ph). We eagerly await your response and look forward to a mutually beneficial resolution.

Very truly yours,
