Schools Division Superintendent
Department of Education
Division of Aklan

Dear Mr. Buenafe Jr.:

Environmental Greetings!

The annual celebration of the Earth Day in April draws near and this Office will be conducting activities that would maximize reconnection with the planet. As our plan of initiative, we will be having an arts and crafts making workshop, on April 27, 2024 at a venue in Boracay Island.

With this, we would like to invite 20 students from Boracay based high schools to join us in this activity.

For inquiries, kindly contact Mr. Gerrod Villaruz of the Environmental Education and Information Unit at 033-336-6989 loc 1025 to discuss further.

I look forward to the opportunity to work together in support of the Earth Day and our shared commitment to environmental sustainability.

Sincerely,

ATTY. RAMAR NIEL V. PASCUA
