Dear **Dr. Uytico**,

The Department of Agriculture- Bureau of Fisheries and Aquatic Resources (BFAR) through its Fisheries Scholarship Program (FSP) has been continually granting full college support and financial privileges to the deserving high school or senior high school graduates who are willing to pursue BS in Fisheries. The said scholarship program is composed of three(3) components namely; FSP- Fisheries Industry Leader's Grant (FILG); the FSP-Fisherfolk Children Educational Grant (FCEG); and the FSP-Indigenous Cultural Communities or Indigenous People (ICCs/IPs).

This year, the BFAR-FSP will commence the selection of scholars for the school years 2025-2029. As part of the selection process, a Nationwide Qualifying Examination will be administered on October 19, 2024.

We kindly request your assistance in disseminating this scholarship opportunity to incoming grade 12 students. Ms. Marichu B. Palapaz, our Regional FSP Coordinator will be coordinating with your office for additional details about the recruitment process and examination. Attached are the scholarship guidelines for your information and reference.

Thank you, and we eagerly anticipate your assistance in nurturing the future generations for the fisheries sector.

Very truly yours,

REMIA A. APARRI
