Dear Mr. Bringas:

Greetings of Diplomacy!

We are Model United Nations - University of the Philippines Diliman (MUN-UPD), a duly recognized special interest, university-wide student organization in the University of the Philippines Diliman which serves as the university's official delegation in Model United Nations (MUN) conferences locally and internationally. Grounded on the principles of "travel, debate, experience, and learning", the organization believes in the importance of diplomacy, cooperation, civic engagement and social responsibility, and developing the Filipino youth's skills in the aforementioned areas to create a just and harmonious world.

Thus, we are organizing Philippine International Model United Nations (PHIMUN) 2024, the Philippines' premier MUN conference designed to simulate the processes within the United Nations and to immerse delegates from High School (grades 10-12) to University levels (undergraduate to postgraduate) from the Philippines and abroad, to the intricacies of diplomacy.

From July 12 to 14, 2024, in alignment with this year's PHIMUN theme, "Mobilizing Global Citizenship Towards a Future of Collective Stability", participants will experience three days of committee sessions, debating and creating solutions for issues that concern human security—from the protection of women and children in conflict zones to the minimization of risks associated with the use

of AI in global security. Participants will be able to do so within their respective committees, among those that they can choose to join are the UN General Assembly, UN Economic and Social Council, UN Human Rights Council, UN Security Council, and the International Court of Justice.

PHIMUN 2024 will be held in a full face-to-face format at the University of the Philippines Diliman campus, with the option to register as individual delegates or delegation teams. Should there be unexpected outbreaks of illness around the same time as the event, the conference will adhere to the health protocols and guidelines set by the University to ensure the safety of the delegates.

Provided these, we humbly request your good office to assist us in disseminating this event through the **issuance of a DepEd advisory**. MUN-UPD shares a similar commitment to empowering the youth and promoting their active participation in nation-building as this event aims to hone leadership, public speaking, debate, negotiation and policy-making skills by engaging the youth in national and international issues. PHIMUN 2024 allows the youth to discuss and propose solutions for pressing world issues with viewpoints coming from the future of the nation themselves, thus the event offers an avenue for the youth to recognize their essential role in the international arena from an early age and eventually, cultivate them to become active, global citizens of the world.

Attached is more information about our organization, Model United Nations - University of the Philippines Diliman, and our event, Philippine International Model United Nations (PHIMUN) 2024. If you have any questions or need further clarification, please feel free to contact us at exec.phimun@gmail.com or contact Kristiane Dawn Basista at 0977 699 6221.

Your endorsement would greatly help in reaching a wider audience of young learners who can benefit from this enriching experience, and we look forward to the possibility of working with you. Thank you very much!
