Dr. FELICIANO C. BUENAFE, JR., CESO VI
Schools Division Superintendent
Province of Aklan

Dear Dr. Buenafe:

Greetings from Central Philippine University (CPU)!

We are writing to request permission to hold a career guidance activity and conduct the Central Philippine University College Aptitude Test (CPUCAT) at the Regional Science High School (RSHS) within September or October 2024.

The 15-minute career guidance activity can be during the class break. Information on academic programs, scholarships, and other opportunities at CPU will be shared.

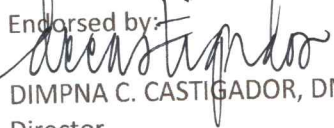

The CPUCAT which takes 3.5 hours is proposed to be open to students from RSHS as well as those from other high schools in Aklan. This will also provide students in Aklan the opportunity to take the CPUCAT right within the province.

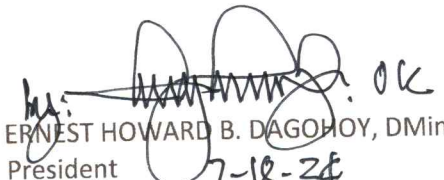

Consistent with the vision of CPU, "Exemplary Christian Education for Life (EXCEL) responsive to the needs of the total person and the world", we believe that through this initiative, we can share our commitment to holistic and Christ-centered education with your students, preparing them to meet the demands of a rapidly changing world.

Thank you very much for considering our request. We look forward to your positive response.

Sincerely yours,

ANA MAE B. CANTEL
