DIVISION MEMORANDUM

No. 405, s. 2024

2024 SCIENCE AND TECHNOLOGY MONTH CELEBRATION

To: **OIC, Office of the Assistant Schools Division Superintendent**
Chief Education Supervisors
Education Program Supervisors
Public Schools District Supervisors
Senior/Education Program Specialists
Heads of Public Elementary, Secondary and Integrated Schools
Science Teachers and All Others Concerned

1. In accordance with the celebration of the 2024 Science and Technology Month this September (Presidential Proclamation No. 264, s. 2002) with the theme, **“Integrated Approach in Science and Technology for Sustainable Future”**, the Schools Division of Aklan encourages the conduct of classroom-based, school-based, and district/division-wide activities, as well as other related instructional events for the month of September. These activities should highlight practical applications of the Science Curriculum in everyday scenarios.
2. This year’s theme highlights the critical role of interdisciplinary collaboration, efficient use of resources, and advocacy initiatives that enhance awareness, build capacity, and foster innovation for a sustainable future. The activities aim to:
 - a. increase awareness of Science and Technology among learners;
 - b. encourage the integration of interdisciplinary knowledge into classroom activities, focusing on the efficient use of natural resources, reducing waste, minimizing environmental impact, and promoting STEM education centered on sustainability and innovation; and
 - c. enhance the application of engineering design principles in the teaching of science.
3. Everyone is encouraged to participate in the suggested activities suitable to the content and performance standards of the science curriculum. Teaching and non-teaching personnel who shall participate in related activities conducted during Saturdays, Sundays, and Holidays shall be entitled to Service Credits for services rendered as per DepED Order No. 53, s. 2003 and CSC-DBM Joint Circular No. 2, s. 2004.
4. School Science Coordinators and Division/District Science Coordinators are requested to prepare and submit their Action Plans or Proposed Activities in support of the 2024 Science and Technology Month celebration. Please send these documents to
