Dear Dr. Buenafe,

Being one of the respected educational institutions in our community, your schools has always been commended for its undying commitment to provide students with the best education that will prepare them in college and beyond. We believe that the foundation you have built for your students deserves continuous passion for quality education to further uphold your division's high standards.

We are one with you in this pursuit, and as such, we would like to take this opportunity to be able to help you in your quest by conducting a meaningful and informative **Career Orientation Seminar** to Grade 10 completers and Grade 12 graduating students. This free seminar aims to help Grade 10 completers and Grade 12 graduating students understand the importance of Senior High School and College and make an educated decision on which track, specialization, and program are best suited for them. During the seminar, we will be discussing to students some various career factors and industry information necessary to help them make an informed choice, and accordingly, give them a higher chance of being successful in their chosen career.

We trust that you will find merit in this endeavor. Attached to this letter are the list of schools of which to conduct the said Career Orientation Seminar.

Should you have any queries about our request, please do not hesitate to call the undersigned at the telephone number (036) 268-3881 or email at jeannie.andrade@kalibo.sti.edu. We would be most pleased to hear from you.

Thank you very much and we look forward to this opportunity to visit your schools soon.

Sincerely,
