Dear Dr. Buenafe,

Greetings of Love and Peace!

We are writing to seek your kind permission to conduct a Career Orientation and Students Campaign Program in the integrated and secondary schools within the Division of Aklan. This program is scheduled to take place from January to March 2025. Its main objective is to provide students with essential guidance and support as they explore various career options and choose the appropriate academic programs to pursue based on their professional goals.

Through this initiative, we aim to offer students an informed perspective on available programs, services, and benefits that can help them succeed in their future careers. We firmly believe that the program will motivate students to make quality and informed choices regarding their academic and professional paths.

Your cooperation and favorable approval of this endeavor will be highly appreciated, as it will significantly contribute to the holistic development of our youth and further promote the value of career education.

For your reference, attached is the list of integrated and secondary schools in Aklan which have been identified for the purpose of this program. A separate communication will be sent to the respective School Heads to ensure proper coordination and arrangements. Utmost we look forward to your favorable response on this matter.

Thank you for your continued support in fostering educational and career development for students in the Province of Aklan.

Should you require any further details or clarifications, please do not hesitate to contact us at the contact details given below.

God Bless!

Yours in Christ,
