Department of Education  
Aklan

Dear Sir:

I hope this letter finds you in good health. My name is Dr. Peter Elmar C. Bordo, and I am the Executive Director of Workforce Career Institute based in Ibajay, Aklan. We are a private, boutique learning institution which provides specialty courses and programs. We have inked a Consortium Partnership with SPA College to offer their Bachelor's, Master's, and Doctoral programs via distance modality.

We offer Master of Arts in Education majors in School Administration and Supervision, English, Filipino, Mathematics, Science, Social Studies and Technology and Livelihood Education which can be completed with or without a thesis and a Doctor of Education major in Educational Leadership and Management which can be completed in little over two years.

In this view, may we please ask your good office to allow us to present our graduate programs to your teaching and non-teaching staff through handing them flyers at their respective schools in the Province of Aklan. We plan to conduct this campaign for the entire month of January commencing on January 6, 2024.

It is with hope that this letter merits your favorable response.

Thank you very much.

Sincerely,
