Council Chairpersons and Local Council Executive Board
Regional Chairpersons and Regional Scout Committees
Commissioners at all Ranks and Levels

SUBJECT : UPDATED AND REVISED SCOUT YOUTH FORUM GUIDELINES 2023

1. Upon the recommendation of the Youth Program Committee, the **National Executive Board** has **approved** in its meeting last **24 March 2023**, the **Updated and Revised Scout Youth Forum Guidelines 2023**, which will take effect during the conduct of all Scout Youth Fora at all levels in 2024.
2. **Background.** The Scout Youth Forum is a primordial part of the Youth Development Program of the Boy Scouts of the Philippines and is organized to fill in the need and the clamor for more Youth Participation in the decision-making processes in the Scout Movement, especially in matters and issues directly affecting them, and serves as a laboratory for the development of leadership from among our young Scouts.
3. **Rationale.** The Scout Youth Forum is also an educational tool to support the process of developing youth participation. It is an event that inspires and empowers young people through a participatory approach, helping them to develop skills in decision-making which can be used within Scouting and in the society. The Forum is a place for information, training and concrete experience of discussing, raising the level of awareness and acquiring a deeper understanding of various issues. It is also a source of inspiration by providing contact with new people, fresh ideas, innovative thoughts, different experiences and working methods.
4. The Article I of the Constitution of the World Organization of the Scout Movement supports and bolsters our responsibility to the young people. It clearly provides, "The purpose of the Scout Movement is to **contribute to the development of young people** in achieving their **full physical, intellectual, social and spiritual potentials as individuals, as responsible citizens** and as members of their local, national and international communities." (Emphasis supplied).
5. Relative to the preceding paragraphs, it is hereby announced and made the matter on record and official policy document, **the strict implementation of the stipulated guidelines in the conduct of the Scout Youth Forum at all levels.**
6. The conduct of the Scout Youth Forum, including the election of the Scout Representatives to the different policy-making bodies of the Boy Scouts of the Philippines is in accordance with the mandate of the law, as stipulated in Section 5(e) of the Commonwealth Act No. 111 as amended by Presidential Decree No. 460 and Republic Act No. 7278, respectively.

7. The conduct of the Scout Youth Forum ensures actual representation of the primary stakeholders of this Movement – the young people, those directly affected by the policies and programs enacted by its different policy-making bodies at all levels.
8. The Council Scout Executives, Officers-in-Charge, the Regional Scout Directors, Regional Field Scout Executives, National Office Staff, Executives and Directors shall ensure that all duly elected Senior Scouts assume their posts as the Scout Representative/s to the different policy-making bodies of the organization as mandated members.
9. On a regular basis and as the need arises, the Field Operation Division and Youth Programme Committee– Program and Adult Resources Development Unit of the Field Operations Division shall monitor the implementation of these Guidelines and shall cause the creation of an annual registry and directory of all duly elected Scout Representatives to the different policy making bodies of the Boy Scouts of the Philippines for reference.
10. Necessary attachments in the guidelines provided are herein attached.
11. Should there be any concern, clarification and/or query relative to the attached guidelines, you may course it directly to any of the following:
 - a. Mr. Yasser F. Sarena at yaz@scouts.org.ph,

REVISED GUIDELINES FOR SCOUT YOUTH FORUMS (2023)

Approved last NEB Meeting on 24 March 2023

1. **Qualification.** For an individual to qualify to participate in a Scout Youth Forum, the following requirements **must be met**:

- a. Must be a currently registered Senior Scout
 - The age bracket for the Scout Youth Forum is to be patterned with the advancement guidelines which states that the Senior Scouting section is from 14-18 years of age.
 - Scout Representatives must be within 14-18 years of age upon the time of election as they will be serving a term of one (1) year and it will maintain them as valid members of the Senior Scouting Section.
 - Senior Scouts who are 19 years of age upon the election shall not be allowed to participate due to technicalities of over age mid-term.
- b. Must have been elected in prior levels of the Scout Youth Forum
- c. Must at least hold the Outdoorsman Rank in the Advancement Scheme
 - Outdoorsman Rank will be the minimum rank for delegates to join the Scout Youth Forum because they already have prior experiences and knowledge in the Scouting movement that can help them in the creation of resolutions.

2. **Participation.** The determination of the participants to the Scout Youth Forum is **by virtue of ELECTIONS only, not by selection, term-sharing, appointment or any other methods.**

If in any case the determination of the participants to the Scout Youth Forum is by selection, term-sharing, appointment or any methods other than election, the participant shall automatically be disqualified.

The required number of voting delegates to the different levels of the Scout Youth Forums shall be as follows:

FORUM LEVEL	NUMBER OF REQUIRED VOTING DELEGATES
Institutional Scout Youth Forum	Four (4) Scouts per Crew
Area/District Scout Youth Forum	Three (3) Scouts per Institution
Council Scout Youth Forum	Three (3) Scouts per District
Regional Scout Youth Forum	Three (3) Scouts per council
National Scout Youth Forum	Six (6) Scouts per region

All participants to the Council Scout Youth Forum **are encouraged to join their respective Institutional or District Scout Youth Forums.**

Districts, Councils and/or regions may send more than the required number of participants to any level of the Scout Youth Forum. But it must be noted that **those participants exceeding the required number of voting delegates shall be classified as 'Observers' only and shall not have any voting rights** relative to the elections conducted in the Scout Youth Forum.

It must properly be emphasized that representation is by virtue of election, by the patent will and trust of the majority, of the electorates to the candidates. Thus, official voting powers must not and should never be transferred from the official voting delegate to the observer. The blatant act of transfer of voting rights solely for political and/or other purposes is arbitrarily whimsical and utterly capricious. The votes and the independence of the participants should never be abrogated and infringed upon.

- 3. Conduct and Duration.** The Scout Youth Forum must be conducted in **at least three (3) days and two (2) nights** in order to take up all matters necessary relevant to the Scout Youth Forum. The program of which shall be determined by the Organizing Committee prior to the conduct of the same. The Scout Youth Forum must be conducted at all levels (Institutional, Council, Regional and National) and must adhere to these guidelines. The different Local Councils are also encouraged to conduct preparatory levels of the Scout Youth Forum in the Institution, Area, District or Municipality.
- 4. Program.** The conduct of the Scout Youth Forum **must adhere to the standard program in all levels.** For reference, herein attached and docketed as 'Annex A' is the General Program. The Organizing Committee may adjust the schedule as deemed necessary and appropriate.
- 5. Procedures.** The procedures in the conduct of the Scout Youth Forum at all levels **must strictly adhere and conform to basic parliamentary rules and procedures** in order to govern the proceedings of the same. Resource persons may be invited during the Pre-Forum Activity to speak about the basics of the Parliamentary Rules and Procedures.
- 6. Resolutions.** The resolutions in the Scout Youth Forum must go through **three (3) readings.** The **First Reading** shall be the **Selection of Topics for Discussion**, usually held during the First Plenary Session. Each topic must be presented and defended by the discussion crew in front of the Assembly during the initial floor debate and interpellation.

If a topic has been approved by the Assembly, it will proceed to the **Second Reading** usually during the Second and Third Plenary Sessions. During the Second Reading, the approved topics for discussion are presented using the SPEAR Method (**Presentation of Resolution**). Floor debates and interpellation are present. The Assembly shall be the approving authority.

If approved, the Steering Committee finalizes, edits and calibrates the resolution for the **Third and Final Reading** during the Fourth Plenary Session, a joint session between the Organizing and Steering Committees. In the Fourth Plenary Session, the Steering Committee shall present the resolutions for the **final review and approval** of the Organizing Committee. \

Resolutions approved at the Council and Regional levels shall be furnished to the Council and Regional Program Commissioners for initial review and appropriate action in their respective jurisdictions. Resolutions approved at the National Scout Youth Forum shall be furnished to the Project Officer and the Youth Program Committee for further review, study and appropriate action, prior to the presentation in the National Executive Board by the National Scout Representative.

- 7. Elections.** There are only **two (2) required elections** in the Scout Youth Forum – [1] the election for the forum officials or otherwise known as the Steering Committee and [2] the election of the Scout Representatives to represent the Scout membership to their respective policy-making bodies. The manner of elections must be uniform in all levels of the Scout Youth Forum, so as not to put a mockery to and jeopardize the system. Democracy must then be at the core of every proceeding. The **Rules of Election** is hereby attached and docketed as "Annex B" for reference and compliance.

Any and all forms of elections in Scout Youth Forums should be free from any form of external influence and control, if only to afford them independence, free expression and their inherent freedom of choice, and of self-determination. It must be noted that any external influence and control denies actual representation of the Scout membership to the various hierarchies of policy-making bodies of the Boy Scouts of the Philippines. The Scout Youth Forum is where representatives of the grass roots are being selected to form part of these policy-making bodies, in order to afford representation of the same. The decision to choose solely rests on the youth.

8. Scout Representatives. Scout Representatives shall be **elected from among the official voting delegates** to the Scout Youth Forums only. These representatives shall be the **scout representative** to the Local Council Executive Boards, Regional Scout Committees and/or the National Executive Board, whichever is applicable. Below is the table for the required number of representatives to the different policy-making bodies of the Boy Scouts of the Philippines:

POLICY-MAKING BODY	NUMBER OF REPRESENTATIVES

Regional Scout Committee (RESCOM)	Two (2) Scout Representatives
National Executive Board (NEB)	One (1) Scout Representative each from Luzon, Visayas and Mindanao

The elected Scout Representatives shall be part of the Local Council Executive Board and/or Regional Scout Committees whichever is applicable and enjoy a term from the date of their election to the date of the next Scout Youth Forum.

10. Non-Intervention Clause. Professional staff, outfit advisors, adult leaders and any other entity not deemed to be part of the official forum body shall **NOT** be allowed to intervene, interfere and/or involve themselves in the official conduct of the Scout Youth Forum. Should there be any policy or administrative concerns expressed by the same, these shall be coursed through the official Forum Adviser and not directly to the forum body.

11. Organizing Committee. The Organizing Committee, as a collegial body, assists the forum officials in the conduct of the Scout Youth Forum. The Chairperson presides over all plenary sessions until the forum officials are duly elected, and assumes the same in the Joint Session. The Committee shall be the final reviewing and approving authority of the forum resolutions. The Committee shall be composed of outgoing Scout Representatives. They shall select from among themselves the Chairperson. However, in National Scout Youth Forums, the outgoing National Scout Representative to the National Executive Board shall assume as Chairperson.

The incumbent National Scout Representative for each island group shall be the Organizing Committee Chairman of all Regional Scout Youth Forum in their respective island group. As soon as the Scout has accepted a position in the Organizing Committee, they are no longer allowed to withdraw their involvement for the purpose of sitting as an official delegate.

In the case of the six (6) scouting regions from Luzon, only one (1) Scout Representative shall be sent as a member of the Committee.

In the case of a Consolidated National Scout Youth Forum, the outgoing National Scout Representatives to the National Executive Board shall select from among themselves the Chairperson for formality; the other two (2) shall both serve as Vice-Chairpersons. The Chairperson will be from the host island group which will undergo a rotation every year. There shall be three (3) other members of the Organizing Committee which will be divided equally among the three (3) island groups in the country.

In Institutional, Council and Regional Scout Youth Forums, the Project Officer may opt to place additional members to the Committee, provided that such members have already attended higher forum levels.

The Forum Adviser shall form part of the Committee in *ex-officio* capacity.

12. Reports. Within **fifteen (15) working days** upon the conduct of the Scout Youth Forum, the following reports shall be transmitted to the respective offices:

- a. **After Action Report.** An after action report must be submitted by the Project Officer to the Regional or the National Office detailing the conduct of the Scout Youth Forum, inclusive of salient details relative thereto and the names of the elected scout representatives and voting delegates to the next level of the Scout Youth Forum.
- b. **Post Forum Report.** A post forum report must be transmitted by the Organizing and the Steering Committees of the Scout Youth Forum to the Council, Regional or National Office, whichever is applicable, detailing the proceedings of the Scout Youth Forum inclusive of the minutes of the plenary sessions, resolutions that were approved, necessary annexes, result of the elections, recommendation from the forum adviser, among others.
- c. **Certificate of Election.** A Certificate of Election for the Scout Representatives duly elected to represent the Boy Scout membership in the National, Regional and Local Council Executive Boards shall be made, signed and submitted to the Council, Regional and National Office for reference. The names reflected in the endorsement letter shall be the only ones to be recognized as official voting delegates to the higher level of the Scout Youth Forum.
