

Republic of the Philippines
Department of Education
REGION VI – WESTERN VISAYAS
SCHOOLS DIVISION OF AKLAN

Division Advisory No. 072, s. 2025
June 2, 2025

In compliance with DepEd Order (DO) No. 8, s. 2013
this advisory is issued not for endorsement per DO 28, s. 2001,
but only for the information of the Schools Division of Aklan
officials and personnel/staff.

Attached is a letter from **Life Extensions Philippines** regarding the set up of
a **Health and Wellness Pop-Up Booth** in the schools of the Schools Division of Aklan
during the weeklong *Brigada Eskwela*.

The Public Schools District Supervisor (PSDSs), Principal In-Charge of the
Districts (PIDs) and Head Teacher In-Charge of the District (HTID) and school heads
of the schools are given the discretion to act on this matter.

May 23, 2025

Dr. Feliciano C. Buenafe Jr., CESO VI
Schools Division Superintendent
Division of Aklan

Dear Dr. Buenafe,

Warm greetings from Life Extension Philippines, your trusted partner in health and wellness and a proud affiliate of the Life Extension Foundation USA!

Our mission is to help Filipinos live longer, healthier lives through integrative medical care that combines nutritional support with conventional treatments. With clinics, pharmacies, and laboratories nationwide, we aim to make preventive wellness accessible to all.

In line with our advocacy to support community health, we respectfully seek your office's approval and endorsement to offer our services to the schools under your supervision during the upcoming **2025 Brigada Eskwela**. Our initiative, "**Wellness First: Back-to-School Health Drive**," is designed to contribute to the overall well-being of teachers, staff, and parents by providing free wellness services.

We propose to set up a **Health & Wellness Pop-Up Booth** at participating schools with the following offerings:

- Free blood pressure and BMI monitoring
- Wellness education and consultations
- Exclusive discount coupons for health services and products

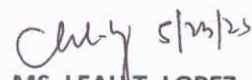

These services are entirely free of charge and form part of our commitment to preventive care and health education in school communities.

We would be honored to collaborate with your division and ensure that our participation aligns with DepEd protocols and the specific needs of each school. We are ready to coordinate with your designated focal person or office for scheduling and implementation.

Should you require additional documents or a formal presentation, please do not hesitate to let us know. We look forward to your positive response and to working together in promoting a healthier learning environment.

Thank you very much for your kind consideration.

Sincerely yours,

MS. LEAH T. LOPEZ
