Subject: **Deep Appreciation for Partnership and Support**

Dear **Superintendent Buenafe**,

The entire team and management of ABC+ extend our deepest appreciation to the Department of Education (DepEd) SDO Aklan for more than five years of invaluable partnership and unwavering support in our shared commitment to improving the educational outcomes of young learners.

Since our operations began in July 2019, we have been privileged to collaborate closely with DepEd SDO Aklan, engaging in meaningful collaborative initiatives, high-level events, and joint campaigns. We have consistently been impressed by the dedication, professionalism, and commitment of SDO Aklan personnel at all levels. We extend particular thanks to the staff of the Division Office, school heads, supervisors, coordinators and teachers in the region. Your cooperation, unwavering support, and receptive approach to new strategies were instrumental to the success of our project.

Due to the recent shift in US funding priorities, resulting in the cancellation of many USAID projects globally, ABC+ operations will also cease in April 2025. While we regret that we cannot fully realize our planned initiatives through 2026, we are confident that the accomplishments achieved over the past five years will continue to positively impact the learning outcomes of young learners.

As part of our close-out, ABC+ would like to hand over about 900 units of mega boxes (50-ltr) currently warehoused at Laguinbanwa Integrated School. The boxes are intended for teachers to safekeep their early grade reading materials in regularly flooded public elementary schools in Aklan. Attached in Annex 1 is the recommended schools based on the list provided by SDO DRRM Focal last school year.
