1. **Travel Documents:** It is essential to carry your passport with you at all times while in a foreign country. This important identification document serves as proof of your identity and nationality. Please ensure that your passport is valid throughout your stay and keep it in a safe and secure place.

2. **Exploring the City:** While exploring the host city, we recommend that you do so with a companion, especially if you are unfamiliar with the area. Traveling with a partner adds an extra layer of security and enhances your overall experience. Additionally, it is always

advisable to inform someone, such as a fellow participant or hotel staff, about your planned activities and itinerary for the day.

3. **Precautions and Awareness:** Maintain a vigilant mindset and exercise caution while navigating unfamiliar surroundings. It is important to be aware of your belongings and keep them secure at all times. Avoid displaying valuable items openly and be mindful of your personal belongings in crowded areas. By taking simple precautions, you can minimize the risk of potential incidents.

4. **Contact Details:** Keep a copy of the hotel's contact details, including the address and phone number, readily accessible. This will ensure that you have easy access to this information in case of any emergencies or when seeking assistance. Additionally, keep the contact details of the conference organizers handy so that you can reach out to them if needed.

5. **Cultural Sensitivity:** Show respect for the local customs, traditions, and cultural norms of the host country. Take the time to learn about the local etiquette and traditions to avoid unintentionally causing offense. Embrace the opportunity to engage with the local culture, try local cuisine, and interact respectfully with the local community.

By following these behavior and safety reminders, you can enhance your overall experience in the host country and contribute to a positive and harmonious environment during the conference. If you have any specific inquiries or require further guidance regarding behavior or safety, please do not hesitate to reach out to our team. We are here to assist you and ensure a safe and memorable experience.
